GMP CERTIFICATE

To Whom It May Concern:

Quantum Labs LLC manufactures the following for Vitality Institute/VI Aesthetics:

VI Derm Intense Hydration Serum

at our facility at 28910 Avenue Penn Unit 203, Valencia, CA 91355. This facility is registered with the US FDA as a Cosmetic Product Establishment. The products that we produce for Vitality Institute/VI Aesthetics are manufactured according to the methods and requirements for such products as mandated by the laws of the European Economic Community Cosmetics Directive (1223:2009 and further amendments).

All of the cosmetic products manufactured at our facility are manufactured in accordance with current Good Manufacturing Practices as set forth in 21 Code of Federal Regulations, Parts 210 and 211 and the ISO 22716 standard.

Quantum Labs LLC's Good Manufacturing Practices are compliant with the requirements in North America, the EU, and Asian countries.

These products are freely sold in the United States of America.
