

to me, Info ▼

Good Morning Sara,

I hope youre doing well.

I have some good news Globaltico CR is interested in importing the following products to Costa Rica:

- Alpine Elevated Gin FOB UT: \$113,04 (6 - 700ml. bottles)
- Lafayette Spiced Whiskey: \$113,04 (6 - 750ml. bottles)

Costa Rica, we will need the following documents.

- Certificate of free sales issued apostilled.

The Certificate of Free Sales (CLV, in Spanish) is an official document that specifies that Alpine distillery Gin and Whiskey is authorized to export.

That document is usually issued by a local authority, such as chamber of commerce and it must be apostilled.

It preferably must be issued in Spanish, but English can be accepted.

Once you have the Certificate, sent it to me to see if it'll be accepted before Alpine to get the apostille.

Once it'll be accepted, wi'll have to send Alain the documents digitally and once They present them, we'll need to send them the originals. The documents apostilled send digitally will have to be original, not a copy.

Let me know if you have any questions and have a wonderful day!
