**SEATTLE
GUMMY
COMPANY**

We guarantee the products manufactured at Seattle Gummy Company follow current Good Manufacturing Practices (cGMPs) for Dietary Supplements as required by the FDA under 21 CFR Part 111 Subpart B. This includes practices related to:

1. Personnel Practices
2. Plant & Grounds
3. Equipment & Utensils
4. Production and Process Control System
5. Holding and Distributing
6. Returned Dietary Supplements
7. Product Complaints
8. Records and Recordkeeping

Seattle Gummy Company has established Standard Operating Procedures to ensure that cGMPs and other prerequisites programs are implemented effectively.

Kind Regards,

Brad Fitch
