Natrelle® Purchase Terms: Patient Labeling and Patient Decision Checklist. The sale and distribution of Natrelle® Silicone and Saline-Filled Breast Implants ("Natrelle® Devices") is restricted to users and/or user facilities that provide information to patients about the risks and benefits of Natrelle® Devices in the form and manner specified in the approved labeling provided by Allergan Aesthetics. By purchasing Natrelle® Devices from Allergan Aesthetics, Practice acknowledges, understands, and agrees to convey such information to patients in the following manner:

- 1.The patient brochure "Patient Decision Checklist", which is part of the approved labeling and will serve as a collective source of information for the patient, is provided to the prospective patient by the implanting physician.
- 2.The patient brochure "Patient Decision Checklist" is reviewed by the implanting physician with the patient to assure that the patient understands the risks, benefits, and other information associated with implantation of the Natrelle® Device.
- 3.The patient is provided an opportunity to initial and sign the designated portions of the patient brochure "Patient Decision Checklist" to document that the patient has been informed of the risks, benefits, and other information associated with implantation of the Natrelle® Device and has determined to proceed with the implantation of the Natrelle® Device.
- 4.The designated portion of the patient brochure "Patient Decision Checklist" is signed by the implanting physician to document that the physician has discussed the risks and benefits of the Natrelle® Device as well as the risks and benefits of available alternatives and has addressed all questions from the patient.
