It is with great pleasure that I am writing this letter to you confirming the fact that BENEVOLENT HEALTHCARE FOUNDATION'S PROJECT C.U.R.E. is donating to you an ocean cargo container of donated medical supplies and equipment.

This letter is official confirmation that the medical goods being donated to you are given as a gift, free of any charges from Project C.U.R.E.

Included herein and attached hereto as part of this official document is a listing of the contents of the cargo container being shipped to you. Being a humanitarian gift, there is no estimated value for import/export accounting.

Please inform us when you have received the shipment. I know that you will find these items very useful in your work. It is a great pleasure to work with you.

Sincerely,

Steven Wagener
