Date

Version #:	Change Date:	Reason for Change:
1		Initial Creation of the Document

Revision #:	Change Date:	Reason for Change:
1	August 18, 2016	Removed Cedar Bear Sales Rep name and replaced with version number to track specific changes to a given product. As well as changes to the PL template.
2	December 12, 2016	Removed information after section titles explaining what is to be included in the section. Split the label section into two sections with the representative copy consisting of its own section. Split the ingredient section into three segments for ingredient bracket, herb name and part and botanical status. Added an extra section for additional processes.
3	April 22, 2019	Updated company letterhead. Removed pictures of fill levels as level shown changes with bottles from different vendors, replaced with a statement of minimum fill quantity. Removed "Bracket" from ingredient list.
4	March 6, 2024	Updated form header for new company logo. Updated form header to specify sales contact information. Changed company name from Cedar Bear Natruals Inc.
