July 8th, 2025

**To Whom It May Concern,**

We hereby certify that the following production lines operated and managed by **AQP One, Inc.** are in compliance with the **Good Manufacturing Practices (GMP)** standards.

**Production Lines:**

1. Powder Mixing & Pouch Filling Line
2. Capsule Filling & Bottling Line
3. Tablet Compression Line
4. Bottling Line for Capsules, Tablets, and Powder
5. Softgel Bottling Line (*finished products only and packaging only — no in-house softgel manufacturing*)

These production lines are clearly specified because, in accordance with the **regulatory requirements of the Vietnam Ministry of Health**, the full list of production lines must be declared when registering products for importation and distribution. This ensures transparency and demonstrates that each production line adheres to the relevant GMP standards for safety, quality, and traceability.

The facility and controls used for the manufacturing and distribution of **AQP One, Inc.** products conform to Good Manufacturing Practices as required under **Section 211, Title 21** of the **Code of Federal Regulations for Food, Drugs, and Cosmetics Act**, and all amendments thereto.

We hereby declare that the above statements are true and correct to the best of our knowledge and belief.

**Best Regards,**

  
**Rose Nguyen**  
Production Manager
