CERTIFICATE OF GMP PRACTICE

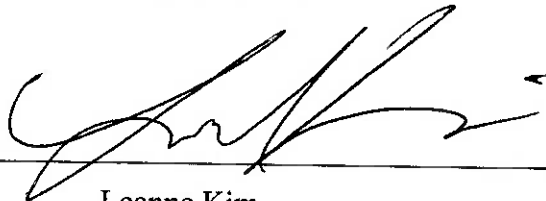

All products manufactured by STUDEX Corporation are made in accordance with Good Manufacturing Practices. We hereby confirm that STUDEX Corporation is authorized to manufacture the "Ear Piercing Guns and Studs" as well as all "Piercing Aftercare Solutions" under the laws of the United States of America and the State of California.

Our Device Manufacturing License number for California is 63069.

The U.S. Food and Drug Administration (FDA) has classified our products to be Class 1 Medical Devices with our regulation number as 874.4420.

These Licenses affirm our commitment to following the standards set forth in the Good Manufacturing Practices and they allow our products to be sold both domestically and in overseas markets.
