CERTIFICATE OF GOOD MANUFACTURING PRACTICES

To All Concerned Parties:

This is to certify that all products manufactured by Mana Products Inc., 32-02 Queens Blvd. Long Island City, NY 11101 are produced in compliance with the U.S. Department of Health, Food & Drug Administration, Title 21, Code of Federal Regulations, Part 210 & 211 (Good Manufacturing Practices), the European Union, and the EC Council Directive (No. 1223/2009). These products are free of any substance that may be harmful to humans when used as directed and do not contain any prohibited substance. All products are manufactured with the highest level of quality in mind and utilize ingredients of suitable grade and purity within the limits prescribed by the United States FDA (Code of federal regulations), PCPC, European Union (Cosmetic Directive No. 1223/2009), The Personal Care Association (formally COLIPA).

A handwritten signature in black ink, appearing to read "Jamilah Spleen", with a horizontal line drawn underneath it.
