Manufacturer's Statement

Date: July 23, 2026

To Whom It May Concern:

This letter certifies that Natureplex, LLC is the manufacturer of the products listed on the accompanying Certificate of Free Sale application for export to Vietnam.

The products are manufactured at the following FDA-registered manufacturing facility:

Natureplex, LLC
11085 Airport Road
Olive Branch, MS 38654
FDA FEI: 3003631744

We further certify that these products:

- Are manufactured in the United States.
- Are manufactured in compliance with all applicable United States Food and Drug Administration (FDA) regulations and current Good Manufacturing Practices (cGMP), where applicable.
- Include cosmetic products manufactured in accordance with all applicable U.S. laws and regulations.
- Are legally manufactured and freely sold and distributed within the United States.
- Are intended for export to Vietnam in support of product registration and import requirements.

This statement is true and correct to the best of our knowledge and is provided in support of the Certificate of Free Sale application.

Sincerely,

Victor Santos
President
Natureplex, LLC
