

## Manufacturer's Declaration

Manufacturer:

Imu-Tek Animal Health Inc.  
3541 East Vine Drive  
Fort Collins, CO 80524

Imu-Tek Animal Health Inc. sources colostrum from US Grade A dairies only. Grade A dairy herds are monitored by the USDA and their facilities are tested regularly to ensure proper animal husbandry and sanitation. Therefore, sourced raw colostrum is antibiotic and synthetic hormone free.

Imu-Tek's bovine colostrum is manufactured according to USDA Veterinary Biologics guidelines.

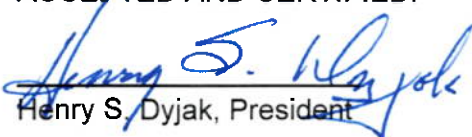

### BSE STATEMENT:

According to FDA (Food and Drug Administration, HHS) – the Final Rule on BSE was effective April 18, 2016, Documentation Citation: 81 FR 14718. The excerpt that relates to milk products is below:

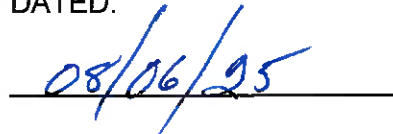

**Prohibited cattle materials do not include ....milk and milk products."**

Article 11.5.14 OIE Terrestrial Animal Health Code per Health Certificate Annex 2B: Bovine colostrum does not contain BSE risks of: brains, eyes, spinal cord, skull and vertebral column from cattle. Bovine colostrum does not contain ruminant-derived-meat-and-bone meal or greaves of BSE.
