### Product classification:

No Prefix :Devices are released products and are fabricated and documented in a controlled manner to allow process repeatability.  
Released products have been fully validated for reliability.

"PR-" :Devices are pre-production products and not yet released to production. Pre-production products are fabricated and documented in a controlled manner to allow process repeatability. They may not be fully validated.

"ES-": Devices are engineering samples and may be fabricated without full documentation or process repeatability.

### Export Control:

These commodities, technology or software were exported from the United States in accordance with the Export Administration Regulations.  
Diversion contrary to U.S. law is prohibited.

Devices are certified to meet the test data supplied with them and warranted to meet all other specifications to which QPC Lasers Inc has agreed to.  
Order subject to QPC Lasers Inc Standard Terms & Conditions.

QPC'S LASER DEVICES ARE FOR OEM (ORIGINAL EQUIPMENT MANUFACTURER) USE ONLY
