NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding \$_____ per _____.
Received: Subject to individually determined rates or contracts that have been agreed upon in writing between the carrier and the shipper, if applicable otherwise to the rates, classifications and rules that have been established by the carrier and are available to the shipper on request. The property described above, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as shown above, which said carrier agrees to carry to destination, if on it's route, or otherwise deliver to another carrier on the route to destination. Every service to be performed hereunder shall be subject to all Bill of Lading terms and conditions in the governing classification on the date of the shipment.
Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
This is to certify that the above named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
