## GENERAL TERMS AND CONDITIONS

### 1. ACCEPTANCE OF AGREEMENT:

Purchaser, by accepting the materials or goods associated with the Order Acknowledgment, by any performance hereunder and/or by written acknowledgment, accepts the offer contained herein and such acceptance of this offer is expressly limited to the Terms. The Order Acknowledgment, as so accepted, and the Terms are sometimes collectively referred to herein as the "Agreement." Purchaser acknowledges receiving or having access to these Terms, including all terms incorporated herein by reference, whether located at a referenced website or otherwise.

### 2. WARRANTY:

(a) Seller warrants to Purchaser that Goods of its own manufacture will, at the time of shipment, materially conform to the description provided by Seller that accompanies the Order Acknowledgment and be conveyed with good title thereto, free from security interests, liens and encumbrances unknown to Purchaser. Seller also warrants Goods manufactured by Seller to be free from material defects in material and workmanship for a period of:

For equipment manufactured by Seller that is properly installed, maintained and operated under normal conditions: fifteen (15) months from the date of shipment;

For decorator color kits manufactured by Seller that are properly installed, maintained and operated under normal conditions: nine (9) months from the date of shipment;

For other kits manufactured by Seller that are properly installed, maintained and operated under normal conditions: nine (9) months from the date of shipment; or For spare parts manufactured by Seller that are properly installed, maintained and operated under normal conditions, thirty (30) days from the date of shipment.

(b) SELLER MAKES NO WARRANTY THAT THE GOODS SHALL BE MERCHANTABLE OR FIT FOR ANY PARTICULAR PURPOSE. SELLER MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, EXCEPT SUCH AS IS EXPRESSLY SET FORTH HEREIN. Seller

makes no warranty whatsoever with respect to goods manufactured by independent suppliers, manufacturers or other third parties. Warranties with respect to such goods are limited to those which are offered by such suppliers and which are transferable. Seller's warranty does not cover damage and this warranty is null and void with regard to damage caused in whole or in part by abuse, alteration of the Goods, casualty, failure to adhere to Seller's specifications, modification of the Goods, ordinary wear and tear, use of the Goods in a manner not designed for the Goods, and use of non-specified parts in the Goods. This warranty is contingent upon Seller's receipt of notice in writing from Purchaser of the defect prior to expiration of the applicable warranty period, and evidence that the Goods were properly installed and not subject to any of the above excluded conditions. Any suggestions made by the Seller concerning use of applications for such Goods reflect Seller's opinion only and Seller makes no warranty of results to be obtained from the Goods. THE FOREGOING IS THE SOLE AND EXCLUSIVE WARRANTY AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED.

### 3. LIMITATION OF LIABILITY:

(a) Seller's liability and Purchaser's exclusive remedy for any tender of nonconforming or defective Goods or breach of warranty is expressly limited to Seller's choice of (i) repair of nonconforming or defective Goods, (ii) the replacement thereof with conforming Goods at the trade term point designated hereunder, or (iii) the repayment of that portion of the purchase price, excluding duties or taxes, represented by nonconforming or defective Goods. Such repair, replacement, or repayment will be made only upon return of the nonconforming or defective Goods, which may be returned at the cost of Seller only after inspection by Seller and receipt by Purchaser of definite shipping instructions from Seller.

(b) Purchaser shall have fifteen (15) days from receipt of any Goods provided hereunder to inspect such Goods and determine if the Goods are nonconforming or defective, or whether any shortages exist. If Purchaser wishes to make a claim for nonconforming or defective Goods, or for any shortages, Purchaser must notify Seller in writing prior to the expiration of the fifteen (15)-day inspection period and permit inspection by Seller of such Goods. No Goods may be returned without prior written authorization from Seller.

(c) IN NO EVENT SHALL SELLER BE LIABLE TO PURCHASER OR ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR PROFIT OR LOSS OF DATA OR DIMINUTION IN VALUE, OR FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, CONTINGENT, EXEMPLARY, OR PUNITIVE DAMAGES, WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. IN NO EVENT SHALL SELLER'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THE AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE PURCHASE PRICE OF THE GOODS ON WHICH SUCH LIABILITY IS BASED.

### 4. PAYMENT:

Unless otherwise stated herein, prices are FCA Seller's location, Incoterms 2020, as identified by Seller, and Purchaser shall reimburse Seller for all taxes, excises, duties, fees or other charges which Seller may be required to pay to any federal, state, local, or provincial government or other governmental entity upon the production, sale, documentation, delivery and/or transportation of the Goods sold hereunder. Payment terms are net thirty (30) days from the date of Seller's invoice. Purchaser shall not withhold payment of any amounts due and payable by reason of any self-off of any claim or dispute with Seller, whether relating to Seller's breach, bankruptcy or otherwise. Time is of the essence with respect to all payments. Purchaser shall incur interest at the lesser of the rate of one and one-half percent (1 1/2%) per month or the highest rate permitted by applicable law on amounts not paid in accordance with the Agreement. Foreign shipments will be paid for in United States dollars based on a confirmed irrevocable letter of credit to be opened no later than thirty (30) days before shipment, or by special terms agreed upon in writing. Such amounts shall be paid upon presentation of documents. If Purchaser fails to make timely payments or if

in Seller's opinion, either the financial condition of Purchaser or Purchaser's Affiliates or other grounds warrant such action, Seller may, without limiting its other remedies: (i) suspend shipments pending receipt of payment in advance or other security satisfactory to Seller or (ii) terminate the Order, in which event unpaid invoices shall become immediately due and payable to any party and with regard to the Agreement, the term "Affiliates" means any corporation, partnership, limited liability company, trust or other entity controlling controlled by or under common control with such party. Seller shall be entitled to self-off any amount owed by Purchaser or by any of Purchaser's Affiliates to Seller or to any of Seller's Affiliates against any amount payable by Seller in connection with the Order.

### 5. RISK OF LOSS, OWNERSHIP, AND TITLE:

Unless otherwise agreed in writing signed by Purchaser and Seller, title, ownership, right of possession and risk of loss with respect to the Goods shall remain with Seller until the Goods are placed at the disposal of Purchaser at the point of shipment. Until such time as Seller has received full payment for Goods sold hereunder, Seller shall have available all rights at law or equity to a secured seller, including the right to enter upon the premises where such Goods shall be located for purposes of removing same, or rendering it inoperative, and all such rights shall be cumulative.

### 6. DELAYS; FORCE MAJEURE:

Any shipping schedules set forth in Seller's quotation are based on information available to Seller at the time of quotation and are subject to change based upon information (i) subsequently disclosed in the Order or otherwise by Purchaser, or (ii) which is complete and which contains necessary specifications for Seller to proceed with design and manufacture, is received and accepted by Seller. If a specific shipping (dispatch) date is not designated on the face hereof or in a subsequent writing signed by Seller, Seller shall not be responsible for any delays in the performance of the Order nor liable for any loss or damages resulting from any delays. If a specific shipping date is designated either on the face hereof or subsequently by Seller, Seller shall use reasonable efforts to meet such shipping date, but shall have no liability to Purchaser if Seller is unable to do so, including without limitation liability for incidental and consequential damages for delays in delivery. Notwithstanding anything to the contrary in the Agreement, Seller will not be liable for delays in filling the Order or failure in the performance of any of its obligations hereunder if caused by any acts or circumstances beyond the reasonable control of Seller, including, without limitation, accidents, lockouts, strikes or other labor disputes (whether or not relating to either party's workforce), shortages of labor, materials, fuel, or power, fires, floods, hurricanes, tornados, high winds, earthquakes or other Acts of God, acts or omissions of Purchaser, governmental actions or restrictions; war, invasion or hostilities (whether war is declared or not), terrorist threats or acts; riots or other civil unrest; national emergency, revolution; insurrection; epidemic, pandemic or other public health crisis; restraints or delays affecting carriers, telecommunication breakdown or power outage.

### 7. INFRINGEMENT:

Subject to the limitations set forth in this Section of the Agreement, Seller agrees to indemnify Purchaser against court assessed damages and costs resulting from infringement of any United States Letters Patent or other intellectual property right extant at the time of Purchaser's acceptance of the Order Acknowledgment by tools, machines, components, constructions or other Goods offered for sale generally by Seller on said date, provided that said Goods are in the condition furnished to the Purchaser by Seller and are being used for the purposes contemplated by the Agreement. Seller's liability respecting infringement shall be limited to the purchase price of the particular Goods raising the infringement charge, adjusted by straight line depreciation based on a ten-year life. Where the infringement arises from a severable component of an assembly, such as a tool part which is severable from an assembly such as a press, Seller's liability shall be limited to the ten-year straight line depreciated price or replacement price or cost of said component. Purchaser agrees to indemnify Seller, its successors and assigns, against all court assessed damages and costs resulting from infringement of any United States Letters Patent or other intellectual property right to the extent that such infringement arises from designs, specifications or instructions furnished or expressly or implicitly required by Purchaser. Neither party shall be entitled to indemnification as to any claim for which it does not give prompt notice to the other party including notice respecting indemnification hereunder, and full opportunity at the expense of such other party, to defend and dispose of such claim. The sale of Goods hereunder shall not grant to the Purchaser any right or license of any kind under any patent or other intellectual property right owned or controlled by Seller, but the foregoing shall not be understood to limit in any way the right of Purchaser to use and sell such Goods in the event that such Goods as sold hereunder are covered by a patent or other intellectual property right owned or controlled by Seller.

**8. AFFILIATES:** Part or all of the Order may be performed, and part or all of the rights hereunder against Purchaser may be enforced by Seller or by any one or more of Seller's Affiliates.

**9. INSTALLATION:** Unless otherwise indicated, the quoted prices do not include installation or other services which may be provided by Seller. If such services are provided by Seller upon Purchaser's request, Purchaser shall be charged in accordance with Seller's prevailing schedule of charges for the applicable services. If Seller's personnel will be working in an area of Purchaser's plant with union personnel, Purchaser must make all necessary arrangements for Seller's personnel to perform installation work in harmony with local unions and applicable laws. Purchaser acknowledges (a) that Seller may elect to perform services remotely using audiovisual equipment or other technology where Seller determines that such remote provision of services is feasible and (b) that such remote provision of services may be subject to additional terms and conditions not set forth herein. Purchaser must secure all applicable permits and pay all applicable fees and charges prior to Seller performing any installation work.

**10.
