1. Product Supply. AlloSource is providing certain products consisting of allografts (the "Products") to Hospital based on orders placed by Hospital, either orally or in writing, and which are indicated on the packing slip to which these Terms and Conditions are attached. Notwithstanding any other terms or conditions to the contrary found in any purchase order or other written document provided by Hospital to AlloSource, the Terms and Conditions contained herein shall be the only terms and conditions applicable to AlloSource's supply of Products to Hospital. By ordering and accepting Products, Hospital agrees to all of the terms and conditions contained herein.

2. Fees: National Organ Transplant Act. The parties acknowledge that the National Organ Transplant Act prohibits the acquisition, receipt and transfer of "human organs" for "valuable consideration," which does not include reasonable payments associated with, among other things, the transportation, processing, preservation, quality control and storage of human organs (which include bone and tissue). Hospital acknowledges that the fees set forth on the packing slip are reasonable payments to AlloSource.

3. Price Guarantee. During the first twelve (12) months of the initial term, AlloSource agrees that pricing for the Products as set forth herein shall remain firm and fixed. After the first twelve (12) months, AlloSource may change, once annually, the prices for any of the Products by providing Hospital with ninety (90) days written notice in advance of the effective date of any change in such fees. In no event shall the pricing for any Product exceed the prior year's price by more than the difference in the Consumer Price Index ("CPI"), U.S. City Average, All Urban Consumers (Base 1982- 1984=100) for the prior twelve (12) month period. In the event the chosen CPI index becomes unavailable, the parties will mutually agree upon an alternate index. Hospital shall have sixty (60) days from its receipt of notice of such increase to accept or reject the increase. In the event the Hospital rejects the increase, either party may upon thirty (30) days prior written notice terminate this Agreement for such reason.

4. Taxes. To the extent applicable, AlloSource will collect from Hospital and remit to the appropriate governmental authorities any sales, use, value added, or other transfer taxes imposed upon AlloSource's supply of Products to Hospital. Hospital will be solely responsible for collecting and remitting to the appropriate governmental authorities all taxes associated with its or its patients' use of Products, including sales, use, transfer, value added, and income taxes.

Hospital may request that AlloSource use one or more specified carriers, but Hospital will defend, indemnify, and hold harmless AlloSource and its affiliates and subsidiaries, and their respective officers, directors, members, employees, and agents from and against any and all liabilities, damages, causes of action, claims, penalties, costs, and expenses (including reasonable attorneys' fees) arising out of the use of such specified carriers. In the event Hospital does not request a specified carrier, Hospital shall reimburse AlloSource for the cost of shipping fees.

If Hospital does not so report within 24 hours, the Products will be deemed accepted by Hospital.

8. Tracking. Hospital shall track and maintain records for all Products and maintain traceability to the AlloSource distinct identification code and shall otherwise comply with the applicable requirements of 21 C.F.R. Part 1271 and shall furnish all such tracking records to AlloSource upon request. Hospital must ensure that all Products can be tracked to the applicable recipient. AlloSource may, in its sole discretion, evaluate Hospital's compliance with 21 C.F.R. Part 1271 by various means, such as audits, record review or other reasonable means. Hospital shall maintain all records associated with the Products for the greater of ten years or the maximum amount of time required by law.

9. Storage. Hospital agrees to work with the ultimate users of the Products to assure proper storage conditions of the Products as described by the package insert/preparation instructions and to itself follow the applicable storage standards and instructions as provided by AlloSource, the American Association of Tissue Banks ("AATB"), and/or the FDA.

10. Claims to Ultimate Users. Hospital shall defend, indemnify and hold harmless AlloSource and its affiliates and subsidiaries, and their respective officers, directors, members, employees and agents from and against any and all liabilities, damages, causes of action, claims, penalties, costs and expenses (including reasonable attorneys' fees), which result from, are caused by or are related to such claims.

11. Limitations. Hospital will not transfer the Products to any third party except for Hospital patients or other ultimate users of the Products in compliance with all laws, rules and regulations. AlloSource shall make all decisions as to such Allograft Recall, and Hospital shall cooperate with AlloSource in any Allograft Recall. AlloSource will reimburse Hospital for any direct, out-of-pocket costs incurred by Hospital as a result of any product corrective action, withdrawal or recall of the Products requested by AlloSource or required by any government or government agency;

provided, however, that Hospital shall, in addition to any required indemnification, reimburse AlloSource for all reasonable out-of-pocket expenses incurred by AlloSource in connection with any such Allograft Recall attributable to any breach by Hospital of these Terms and Conditions.

AlloSource's sole and exclusive warranty with respect to the Products is that prior to shipment to Hospital, AlloSource will have processed, tested, handled and stored such Products in accordance with the standards of the AATB and applicable United States law. Hospital and the ultimate user of the Products will be responsible for determining the adequacy and appropriateness of the Products for any and all uses, which Hospital or the ultimate user makes of the Products. Notwithstanding anything to the contrary in this Agreement, Hospital's obligations with respect to indemnification for acts described in this Section shall not apply to the extent that such application would nullify any existing insurance coverage of Hospital or as to that portion of any claim of loss in which an insurer is obligated to defend or satisfy. This Section 16 shall survive the expiration or earlier termination of this Agreement.

17. Indemnification by AlloSource. AlloSource agrees to indemnify and hold harmless Hospital and its affiliates and subsidiaries, and their respective officers, directors, members, employees and agents from and against any and all liabilities, damages, causes of action, claims, penalties, costs and expenses (including reasonable attorneys' fees) arising in connection with (i) of any infringement of United States patents or other United States intellectual property rights by the Products, provided that AlloSource will have no liability for any infringement arising out of Hospital's modification of the Products or combination of the Products with other products unless specifically
