services under the same or similar circumstances.

This warranty for GOODS is conditioned upon the GOODS being received, unloaded, stored, handled, installed and tested as per SELLER's recommendation in a proper manner. SELLER agrees to repair or replace, and transport the repaired goods or parts, at PURCHASER's option and at SELLER's cost, any GOODS and/or SERVICES, or workmanship which shall be found to be defective within the Warranty Period. All costs incurred for remedying any manufacturing defects shall be borne by the SELLER and SELLER shall act swiftly as per the directions given by PURCHASER to promptly rectify the problem by replacing or repairing the defective goods. The duties, liabilities and obligations of SELLER do not extend to any repairs, adjustments, alterations, replacements or maintenance which may be required as a result of normal wear and tear in the operation of the goods, or erosion or corrosion, or naturally occurring degradation of the goods, or as a result of PURCHASER's failure to operate or maintain the goods in accordance with SELLER's recommendations or SELLER's manuals and instructions or the failure to operate the goods within the operating specifications including, but not limited to, type and identity of fluid, temperature, and pressure provided to SELLER in the Purchase Order, or by reason of any cause outside the scope of the SELLER. Any inspection, test acceptance of the GOODS furnished hereunder shall not diminish obligations. The Warranty Period shall be extended for a period of twelve 12 months for such replaced, rectified or re-performed parts of the GOODS from the date of acceptance of such replaced, rectified or re-performed GOODS.

The Warranty Period shall be valid for 12 months from the date of commissioning or 18 months from the date of delivery whichever occurs earlier.

The above warranty obligations by the SELLER shall be for the benefit of both PURCHASER and the Owners and Owners enjoys the same benefits and protection provided by SELLER under such warranties as does the PURCHASER. Owners may enforce directly the warranty obligations of the SELLER under this PURCHASE ORDER.

Purchase Order Terms & Conditions

Delivery:

- * Unless otherwise specified, all items ordered by SOP by a purchase order or written instruction shall be delivered by vendor as per agreed delivery terms & conditions at the designated place of delivery during SOP's working hours. Proper description of items, quantity, unit price, purchase order number must be stated by vendor on delivery documents and invoices.
- * Data Sheets, Drawings, Operating & Maintenance Manuals, Charts, Hydro Test, MTC, Certificates of Conformity, Certificate of Origin should be provided if applicable.
- * Company representative taking charge of goods or services should be asked to indicate employee number below his signature or initials on delivery note.
- * Full name & signature of the receiving person should be taken on delivery notes at the time of delivery.
- * In the event the items delivered are subject to any restricted use and restricted clientele or any restrictions are imposed by US or other governmental agencies, compliance certificate in such regard shall accompany delivery of items.

Prices:

- * Unless clearly stated otherwise, all unit prices shall be considered inclusive of cartage, taxes if any and other expense etc. up to SOP designated place of delivery, in currency specified on the Purchase Order.

Invoice:

- * Original invoice with copy of PO and delivery note should be submitted by the vendor immediately after delivery.

Defect in goods observed/Short delivery of items:

- * SOP shall have the right to reject any items which do not conform to the specifications contained in the purchase order or written instructions. In the event of short supply of items ordered, SOP shall elect to receive or reject the consignment. In the event SOP accepts the consignment, SOP shall pay the Vendor after deducting the value of goods not delivered.

Payment Terms:

- * All payment terms & conditions specified and agreed with this purchase order are final.
- * When partial shipments are made, the goods will be invoiced as shipped & each invoice will be treated on a separate footing and payable accordingly.

Reservations:

- * SOP reserves the right to withhold payment of any article supplied or work done which does not comply with specifications quoted in our purchase order.
- * SOP reserves the right to cancel the entire order or any part thereof in case of any non-conformity with any of the terms contained above.
- * SOP reserves the right to back charge for late delivery after acceptance of purchase order.

Confidentiality:

- * Each party recognizes & acknowledges that it shall maintain all the data and information pertaining to the transaction confidential.

Validity of PO:

- * The Purchase Order is valid for 180 days from the date of Purchase Order unless specified elsewhere as otherwise. If vendor fails to deliver; SOP reserves the right to cancel the Purchase Order.

Right to return the Excess material delivered:

- * SOP reserves the right to return quantities supplied in excess, transportation charges will be to vendors account.

Jurisdiction/Ethical Conduct:

- * In case of dispute arising out of this purchase order, laws and regulations of ___UAE___ jurisdiction will prevail.
- * The Supplier shall conduct its dealings with SOP's personnel or third parties who have a bearing on the transaction contemplated by any purchase order issued by SOP, in an ethical and transparent manner. The Supplier shall not offer bribe or gifts of any value or unduly influence any person in securing the purchase order or effecting the delivery of such goods and services.

Force Majeure

- * SOP shall be under no liability for failure to accept deliveries of mentioned goods when such failure is due to Act of God, civil war, fire, earth quack, flood, strike, lockout or any other cause which is beyond the control of the Company.
