STOLLE MACHINERY COMPANY, LLC GENERAL TERMS AND CONDITIONS

1. ACCEPTANCE OF AGREEMENT:

Purchaser, by accepting the materials or goods associated with the Order Acknowledgment, by any performance hereunder and/or by written acknowledgment, accepts the offer contained herein and such acceptance of this offer is expressly limited to the Terms. The Order Acknowledgment, as so accepted, and the Terms are sometimes collectively referred to herein as the "Agreement." Purchaser acknowledges receiving or having access to these Terms, including all terms incorporated herein by reference, whether located at a referenced website or otherwise.

2. WARRANTY:

(a) Seller warrants to Purchaser that Goods of its own manufacture will, at the time of shipment, materially conform to the description provided by Seller that accompanies the Order Acknowledgment and be conveyed with good title thereto, free from security interests, liens and encumbrances unknown to Purchaser. Seller also warrants Goods manufactured by Seller to be free from material defects in material and workmanship for a period of:

For equipment manufactured by Seller that is properly installed, maintained and operated under normal conditions: fifteen (15) months from the date of shipment;

For decorator color kits manufactured by Seller that are properly installed, maintained and

operated under normal conditions: nine (9) months from the date of shipment;

For other kits manufactured by Seller that are properly installed, maintained and operated under normal conditions: nine (9) months from the date of shipment; or For spare parts manufactured by Seller that are properly installed, maintained and operated under normal conditions, thirty (30) days from the date of shipment.

(b) SELLER MAKES NO WARRANTY THAT THE GOODS SHALL BE MERCHANTABLE

OR FIT FOR ANY PARTICULAR PURPOSE. SELLER MAKES NO OTHER WARRANTY,

EXPRESS OR IMPLIED, EXCEPT SUCH AS IS EXPRESSLY SET FORTH HEREIN. Seller

makes no warranty whatsoever with respect to goods manufactured by independent suppliers, manufacturers

or other third parties. Warranties with respect to such goods are limited to those which are offered by such

suppliers and which are transferable. Seller's warranty does not cover damage and this warranty is null and

void with regard to damage caused in whole or in part by abuse, alteration of the Goods, casualty, failure to

adhere to Seller's specifications, modification of the Goods, ordinary wear and tear, use of the Goods in a

manner not designed for the Goods, and use of non-specified parts in the Goods. This warranty is contingent

upon Seller's receipt of notice in writing from Purchaser of the defect prior to expiration of the applicable

warranty period, and evidence that the Goods were properly installed and not subject to any of the above

excluded conditions. Any suggestions made by the Seller concerning use of applications for such Goods

reflect Seller's opinion only and Seller makes no warranty of results to be obtained from the Goods. THE

FOREGOING IS THE SOLE AND EXCLUSIVE WARRANTY AND IS IN LIEU OF ALL OTHER

WARRANTIES, EXPRESS OR IMPLIED.

3. LIMITATION OF LIABILITY:

(a) Seller's liability and Purchaser's exclusive remedy for any tender of nonconforming or defective Goods or breach of warranty is expressly limited to Seller's choice of (i) repair of nonconforming or defective Goods, (ii) the replacement thereof with conforming Goods at the trade term point

designated hereunder, or (iii) the repayment of that portion of the purchase price, excluding duties or taxes, represented by nonconforming or defective Goods. Such repair, replacement, or repayment will be made only

upon return of the nonconforming or defective Goods, which may be returned at the cost of Seller only after

inspection by Seller and receipt by Purchaser of definite shipping instructions from Seller.

(b) Purchaser shall have fifteen (15) days from receipt of any Goods provided hereunder to inspect such

Goods and determine if the Goods are nonconforming or defective, or whether any shortages exist. If

Purchaser wishes to make a claim for nonconforming or defective Goods, or for any shortages, Purchaser

must notify Seller in writing prior to the expiration of the fifteen (15)-day inspection period and permit

inspection by Seller of such Goods. No Goods may be returned without prior written authorization from Seller.

(c) IN NO EVENT SHALL SELLER BE LIABLE TO PURCHASER OR ANY THIRD PARTY

FOR ANY LOSS OF USE, REVENUE OR PROFIT OR LOSS OF DATA OR DIMINUTION IN VALUE, OR

FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL,

CONTINGENT, EXEMPLARY, OR PUNITIVE DAMAGES, WHETHER ARISING OUT OF

BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE,

REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT

SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING

THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. IN NO EVENT

SHALL SELLER'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THE AGREEMENT,

WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING

NEGLIGENCE) OR OTHERWISE, EXCEED THE PURCHASE PRICE OF THE GOODS ON WHICH SUCH

LIABILITY IS BASED.

4. PAYMENT:

Unless otherwise stated herein, prices are FCA Seller's location, Incoterms 2020, as identified by Seller, and Purchaser shall reimburse Seller for all taxes, excises, duties, fees or other charges which Seller may be

required to pay to any federal, state, local, or provincial government or other governmental entity upon the

production, sale, documentation, delivery and/or transportation of the Goods sold hereunder. Payment terms

are net thirty (30) days from the date of Seller's invoice. Purchaser shall not withhold payment of any amounts

due and payable by reason of any sale off of any claim or dispute with Seller, whether relating to Seller's

breach, bankruptcy or otherwise. Time is of the essence with respect to all payments. Purchaser shall incur

interest at the lesser of the rate of one and one-half percent (1 1/2%) per month or the highest rate permitted by

applicable law on amounts not paid in accordance with the Agreement. Foreign shipments will be paid for in

United States dollars based on a confirmed irrevocable letter of credit to be opened no later than thirty (30)

days before shipment, or by special terms agreed upon in writing. Such amounts shall be paid upon

presentation of documents. If Purchaser fails to make timely payments or if

in Seller's opinion, either the financial condition of Purchaser or Purchaser's Affiliates or other grounds

warrant such action, Seller may, without limiting its other remedies: (i) suspend shipments pending receipt of

payment in advance or other security satisfactory to Seller or (ii) terminate the Order, in which event unpaid

invoices shall become immediately due and payable to any party and with regard to the Agreement, the

term "Affiliates" means any corporate partnership, limited liability company, trust or other entity controlling

controlled by or under common control with such party. Seller shall be entitled to setoff any amount owed by

Purchaser or by any of Purchaser's Affiliates to Seller or to any of Seller's Affiliates against any amount

payable by Seller in connection with the Order.

5. RISK OF LOSS, OWNERSHIP, AND TITLE:

Unless otherwise agreed in writing signed by Purchaser and Seller, title, ownership, right of

possession and risk of loss with respect to the Goods shall remain with Seller until the Goods are placed at

the disposal of Purchaser at the point of shipment. Until such time as Seller has received full payment for

Goods sold hereunder, Seller shall have available all rights at law or equity to a secured seller, including the

right to enter upon the premises where such Goods shall be located for purposes of removing same, or

rendering it inoperative, and all such rights shall be cumulative.

6. DELAYS; FORCE MAJEURE:

Any shipping schedules set forth in Seller's quotation are based on information available to Seller at the time

of quotation and are subject to change based upon information (i) subsequently disclosed in the Order or

otherwise by Purchaser, or (ii) which is complete and which contains necessary specifications for Seller to

proceed with design and manufacture, is received and accepted by Seller. If a specific shipping (dispatch)

date is not designated on the face hereof or in a subsequent writing signed by Seller, Seller shall not be

responsible for any delays in the performance of the Order nor liable for any loss or damages resulting from

any delays. If a specific shipping date is designated either on the face hereof or subsequently by Seller, Seller

shall use reasonable efforts to meet such shipping date, but shall have no liability to Purchaser if Seller is

unable to do so, including without limitation liability for incidental and consequential damages for delays in

delivery. Notwithstanding anything to the contrary in the Agreement, Seller will not be liable for delays in

filling the Order or failure in the performance of any of its obligations

hereunder if caused by any acts or circumstances beyond the reasonable control of Seller,

including, without limitation, accidents, lockouts, strikes or other labor disputes (whether or not relating to

either party's workforce), shortages of labor, materials, fuel, or power, fires, floods, hurricanes, tornados, high

winds, earthquakes or other Acts of God, acts or omissions of Purchaser, governmental actions or restrictions;

war, invasion or hostilities (whether war is declared or not), terrorist threats or acts, riots or other civil unrest;

national emergency, revolution; insurrection; epidemic, pandemic or other public health crisis, restraints or

delays affecting carriers, telecommunication breakdown or power outage.

7. INFRINGEMENT:

Subject to the limitations set forth in this Section of the Agreement, Seller agrees to indemnify Purchaser

against court assessed damages and costs resulting from infringement of any United States Letters Patent or

other intellectual property right extant at the time of Purchaser's acceptance of the Order Acknowledgment

by tools, machines, components, constructions or other Goods offered for sale generally by Seller on said

date, provided that said Goods are in the condition furnished to the Purchaser by Seller and are being used

for the purposes contemplated by the Agreement. Seller's liability respecting infringement shall be limited to

the purchase price of the particular Goods raising the infringement charge, adjusted by straight line

depreciation based on a ten-year life. Where the infringement arises from a severable component of an

assembly, such as a tool part which is severable from an assembly such as a press, Seller's liability shall be

limited to the ten-year straight line depreciated price or replacement price or cost of said component. Purchaser

agrees to indemnify Seller, its successors and assigns, against all court assessed damages and costs

resulting from infringement of any United States Letters Patent or other intellectual property right to the extent

that such infringement arises from designs, specifications or instructions furnished or expressly or implicitly

required by Purchaser. Neither party shall be entitled to indemnification as to any claim for which it does not

give prompt notice to the other party including notice respecting indemnification hereunder, and full

opportunity at the expense of such other party, to defend and dispose of such claim. The sale of Goods

hereunder shall not grant to the Purchaser any right or license of any kind under any patent or other

intellectual property right owned or controlled by Seller, but the foregoing shall not be understood to limit in

any way the right of Purchaser to use and sell such Goods in the event that such Goods as sold hereunder

are covered by a patent or other intellectual property right owned or controlled by Seller.

8. AFFILIATES:

Part or all of the Order may be performed, and part or all of the rights hereunder against Purchaser may be

enforced by Seller or by any one or more of Seller's Affiliates

9. INSTALLATION:

Unless otherwise indicated, the quoted prices do not include installation or other services which may be

provided by Seller. If such services are provided by Seller upon Purchaser's request, Purchaser shall be

charged in accordance with Seller's prevailing schedule of charges for the applicable services. If Seller's

personnel will be working in an area of Purchaser's plant with union personnel, Purchaser must make all

necessary arrangements for Seller's personnel to perform installation work in harmony with local unions and

applicable laws. Purchaser acknowledges (a) that Seller may elect to perform services remotely using

audiovisual equipment or other technology where Seller determines that such remote provision of services is

feasible and (b) that such remote provision of services may be subject to additional terms and conditions not

set forth herein. Purchaser must secure all applicable permits and pay all applicable fees and charges prior to

Seller performing any installation work.

10. CONFIDENTIALITY:

All non-public, confidential or proprietary information of Seller, including but not limited to

specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer

lists, pricing, discounts or rebates, disclosed by Seller or any of its affiliates or representatives to Purchaser,

whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or

not marked, disclosed or otherwise identified as "confidential" in connection with the Agreement is

confidential, solely for the use of the Goods as contemplated by the Agreement and may not be disclosed or

copied unless authorized in advance by Seller in writing. Seller shall be entitled to injunctive relief for any

violation of this Section of these Terms. Unless otherwise agreed to in writing by Seller, Seller will not be

bound by any obligations of confidentiality or non-disclosure. This Section of these Terms does not apply to

information that is:

(a) in the public domain; (b) known to Purchaser at the time of disclosure; or

(c) rightfully obtained by Purchaser on a non-confidential basis from a third party.

11. CANCELLATION; CHANGES BY PURCHASER:

Seller, Purchaser shall be responsible for cancellation charges that include all costs associated with the

Goods plus 15% markup incurred under the Order through the effective date of such cancellation. Seller shall

submit an invoice for cancellation charges to Purchaser within 30 days of Seller's written acceptance of

cancellation notice. Purchaser shall pay such invoice in full within thirty (30) days of invoice date. In the event

of delivery postponement is accepted by Seller's written consent, Purchaser shall be responsible for all

transportation and storage costs incurred as a result of delivery postponement.

12. TRADE TERMS:

The trade terms used herein (for example "FCA Seller location,") shall have the meaning defined by

"Incoterms 2020" published by the International Chamber of Commerce, except as modified herein.

13. ARBITRATION:

Any controversy or claim arising out of or relating to the present contract, including the Order and the

Agreement, or the breach thereof shall be settled by arbitration administered by the American Arbitration

Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the

arbitrator(s) may be entered in any court having jurisdiction thereof. The place of arbitration shall be Denver,

Colorado.

14. SAFEGUARDING:

Purchaser assumes and shall bear all responsibility to order, install and use adequate and sufficient

safeguards, work handling tools and safety devices to fully protect the operator and any other user of the

Goods sold hereunder at all times in accordance with legal requirements under applicable federal, state, local,

provincial and other laws and codes and industry accepted standards. Seller shall have no liability to

Purchaser whatsoever for the failure of Purchaser to order, install or use such safeguards, work handling tools

or safety devices and Purchaser agrees to indemnify, defend, and save Seller harmless from all liabilities,

claims, demands, losses and expenses (including reasonable attorney's fees) resulting from failure to order

install and use such safeguards, work handling tools or safety devices.

15. INDEMNITY:

Other indemnity provisions notwithstanding, Purchaser shall release, hold harmless, indemnify and defend

Seller from and against any liabilities (including, without limitation, liability for negligence or strict liability),

losses, claims, suits and costs on account of personal injuries (including death), or property loss, or damage

to others caused by, arising out of, or relating to the design of Goods supplied hereunder or the design of

packages or containers in which Goods supplied hereunder are shipped. If such Goods, packages or

containers are made in material compliance with the Purchaser's designs or specifications or arising out of

relating to any misuse, modifications, alterations or changes by Purchaser or to the Goods supplied

hereunder or any software or other intellectual property embodied in or otherwise used in connection with the

Goods.

16. OTHER:

(a) All technical advice or assistance furnished by Seller to Purchaser with regard to use of Goods sold

hereunder is provided gratis, and Seller assumes no obligation or liability for such advice or assistance given

or results obtained.

(b) If Purchaser is unable to accept Goods on schedule and requests postponement of delivery, Purchaser

shall pay Seller for all storage and handling charges for the Goods after the first scheduled delivery date, plus

a service charge of one and one-half percent (1.5%) per month of the purchase price of such Goods.

(c) The Agreement and any right or interest hereunder may not be assigned by Purchaser without Seller's prior

written consent. Any purported assignment or delegation in violation of this Section is null and void. No

assignment or delegation relieves Purchaser of any of its obligations under these Terms.

17. GOVERNING LAW:

The Agreement shall be governed by and construed under the laws of the State of Colorado, excluding those

provisions relating to choice or conflict of law and excluding the United Nations Convention on Contracts for

the International Sale of Goods.
