Heavy Metals Declaration

Argos International LLC guarantees that its products comply with international regulations regarding the presence of heavy metals in cosmetic products, including fragrances. Our products adhere to the standards set by regulatory bodies, such as the U.S. Food and Drug Administration (FDA), the European Union, and India's Bureau of Indian Standards (BIS).

1. Lead: Our products are manufactured to ensure that lead is either absent or present in trace amounts below the regulated limit of 10 parts per million (ppm), as mandated by the BIS.
2. Arsenic: Lead levels are kept below 1 ppm, in line with international safety standards.
3. Mercury: Our fragrances contain no mercury (0 ppm).
4. Alcohol Content: Our products contain a minimum of 50% alcohol, ensuring product stability and performance.

We prioritize consumer safety and product quality, ensuring that any trace levels of heavy metals due to environmental contamination in raw materials remain significantly below the allowable limits.

Sincerely,

Christian Petrovich
CEO, Argos International LLC
