8.1 (CARRIAGE TO, FROM AND BETWEEN UNITED STATES PORTS) Whether or not applicable by force of law, and except as specifically provided in this Clause 8 and in Clause 9.1, the United States Carriage of Goods by Sea Act ("U.S. COGSA"), 46 U.S.C. §30701 (Note), is incorporated by reference as terms of this contract for Carriage whether the Goods are carried on or under deck, before the Goods are loaded on and/or after the Goods are discharged from the Vessel, and throughout the entire time the Goods are in the custody or are the responsibility of Carrier in performing the Carriage hereunder, whether acting as carrier or bailee. Nothing contained herein shall be deemed a surrender by Carrier of any of its rights or immunities or an increase of any of its responsibilities under U.S. COGSA. Notwithstanding the foregoing, the provisions of 46 U.S.C. §§ 30701 (3)(b) and (4)(3) of U.S. COGSA addressing minimum liability of the Carrier are excluded from incorporation by reference and shall only apply when required by force of law.

8.2 (CARRIAGE TO AND FROM NON-UNITED STATES PORTS) Whether or not applicable by force of law, and except as specifically provided in this Clause 8 and in Clause 9.1, the Hague-Visby Rules and Australian Carriage of Goods by Sea Act 1991 (Cth) ("AUS-COGA") are incorporated by reference as terms of this contract for Carriage whether the Goods are carried on or under deck, before the Goods are loaded on and/or after the Goods are discharged from the Vessel, and throughout the entire time the Goods are in the custody or are the responsibility of Carrier in performing the Carriage hereunder, whether acting as carrier or bailee. Notwithstanding, provisions of AUS-COGA and Article IV (3) of the Hague-Visby Rules addressing minimum liability of Carrier are excluded from incorporation by reference and shall only apply by force of law.

9. CARRIER'S LIABILITY:

9.1 Unless the shipper declares a higher value as provided at Clause 9.5, Carrier's liability shall be limited as follows: (a) for loss or damage occurring during any portion of the Carriage governed by U.S. COGSA by force of law, Carrier's liability shall be limited to a maximum of US\$500 per package or the portion of Goods adversely affected, or for Goods not shipped in packages, per customary freight unit; (b) for loss or damage occurring during any portion of the Carriage governed by the Hague-Visby Rules and/or AUS-COGA by force of law, Carrier's liability shall be limited to a maximum of two Special Drawing Rights (SDRs) per kilogram, or 666 2/3 SDRs per package, or for Goods not shipped in packages, per customary freight unit, whichever is the greater and always subject to that portion of the Goods adversely affected; (c) for loss or damage occurring during any portion where U.S. COGSA, Hague-Visby or AUS-COGA is otherwise incorporated herein but is not applicable by force of law, to include periods of domestic water carriage and inland (surface) transportation, Carrier's liability shall be limited to a maximum of the lesser of US\$300 per Package or US\$50.50 per pound of the portion of Goods adversely

affected; (d) for any financial loss other than loss or damage to Goods, Carrier's liability is limited to US\$50 per action or shipment; (e) in the event of loss or damage subject to mandatory applicable law which invalidates Carrier's otherwise applicable maximum contractual liability hereunder, Carrier's liability shall be limited to the lowest amount permitted by / in accordance with such applicable law.

9.2 In any and all events, nothing in this document shall constitute a surrender of any liability immunity or limitation inuring to Carrier's benefit. To the extent applicable law, even if such immunity or limitation by law results in a liability of Carrier less than the otherwise applicable maximum contractual liability hereunder.

9.3 For purposes of Carrier's liability, when it cannot be ascertained at what stage of Multi-Modal Transportation the loss or damage occurred, it shall be presumed to have occurred during periods of inland (surface) transportation.

9.4 For purposes of Carrier's liability, and for good and valuable consideration to Merchant in the form of freight rate, the package or customary freight unit shall be the object and unit referred to in the "No. of Pkgs." column on the face of this document and in the absence of designation in such column shall be deemed the Container.

9.5 The Merchant may demand the liability limitations hereunder, or any other liability limitation imposed by applicable law, by unequivocally declaring the value of the Goods for liability purposes to Carrier in writing prior to Carriage and paying Carrier an ad valorem freight rate in an amount quoted by Carrier, provision of which such quote will be deemed to be Carrier's acceptance of Merchant's request. Such declared value shall only be binding upon Carrier to the extent also memorialized and indicated on the face of this document. Carrier's knowledge of the value of Goods and/or Merchant's declaration of the value of the Goods to Carrier in regular course or for any other purpose, such as for Customs purposes, shall in no event constitute a declared value of the Goods to Carrier for liability purposes.

9.6 In no event shall Carrier be liable for special, incidental, indirect or consequential damages, losses, or, but not limited to, lost profits, damages due to business interruption, or revenues or loss of merchantability of the Goods, whether or not Carrier had notice or knowledge that such may occur.

9.7 In no event shall Carrier's aggregate liability exceed the actual value of any loss or damage or the replacement value of the Goods adversely affected, whichever is lower.

9.8 Carrier does not warrant delivery of the Goods at the port of discharge or place of delivery at any particular time or to meet any particular market or use. Carrier shall have no liability for any direct or consequential damages arising from delay or failure to notify Merchant as to the actual arrival and/or delivery date of the Goods. In the event Carrier is nevertheless for any reason found liable for delay, Carrier's liability shall in all circumstances be limited to the lesser of the liability calculated pursuant to Clause 9.1 hereunder or twice the amount of freight charges billed Merchant for the Carriage. If the Goods are not delivered within 90 days of anticipated delivery date, the Goods shall be deemed lost, in the absence of contrary evidence.

9.9 Notwithstanding anything herein to the contrary, Carrier shall in no event have any liability whatsoever for any loss, damage, delay or failure in performance hereunder arising from or attributable to (a) circumstances of inherent defect, quality or vice of the Goods, including but not limited to wastage in bulk, or weight; (b) defective or insufficient packing not reasonably fit to withstand the ordinary rigors of contemplated transportation; (c) insufficiency or inadequacy of marks or a description of Goods; (d) any act or omission of Merchant, its agent or representative; (e) unsuitable or defective container provided by Carrier if such unsuitability or defect would have been apparent to Merchant upon reasonable inspection; (f) arrest or restraint of princes, rulers of people or seizure under legal process, quarantine restrictions or embargo or any act of any public authority; (g) act, neglect or fault of the master, mariner, pilots or the servants of Carrier in the navigation or management of the Vessel; (h) any act of burglary; (i) piracy, dangers, and accidents of the sea or other navigable waters; (j) saving or attempting to save life or property at sea or any deviation in rendering such service; (k) bursting of boilers, breakage of shafts or any latent defect in hull, equipment, machinery, loading or lashing, whatsoever, caused by wear and tear of the vessel, or any equipment or machinery, or any defect in any equipment, machinery, or any deviation in rendering such service; (l) fire unless caused by the actual fault or privity of Carrier or its Subcontractors, servants or agents; (m) any fire or major event, to include but not be limited to, natural disasters, epidemics or other severe health crisis and associated containment efforts, strikes or lockouts or stoppage/estrangement of labor from whatever cause, civil unrest, acts of war or armed conflicts and acts or threatened acts of public enemies, terrorists, pirates, hijackers or assaulting thieves; (n) latent defects not discoverable by due diligence of Carrier or its Subcontractors, servants or agents; (o) any cause arising without the fault or privity of the Carrier, its Subcontractors, servants or agents.

9.10 Merchant shall indemnify Carrier against any claim by a third party or assignee of Merchant which imposes or attempts to impose upon Carrier's liability in connection with the Goods other than or in excess from that as provided herein, whether or not arising from negligence of Carrier, its Subcontractors, servants or agents.

Without notice to the Merchant, Carrier has liberty and discretion to consolidate the Goods with other cargoes, carry the Goods on or under deck and to choose or substitute the method, means, route, mode and procedure to accomplish the Carriage.

Merchant shall indemnify and hold Carrier harmless from and against any loss of or damage to property of other persons or injurious to other persons caused by Containers or the Goods during handling by, or while in the possession or control of, Merchant, its agents or vendors. Merchant is liable for any and all detention, demurrage, clearing or other charges incurred as a result of the failure to timely retrieve or return equipment in good condition, unless attributable to the exclusive fault of Carrier.

12. DELIVERY

12.1 The Goods shall be deemed to be delivered when they have been delivered to or placed at the disposal of the Merchant or its agent in accordance with this Bill of Lading, or when the Goods have been delivered to any authority or other party to which, pursuant to the law or regulation applicable at the place of delivery, the Goods must be delivered or surrendered, or such other place at which the Carrier is entitled to call upon the Merchant to take delivery.

12.2 The Carrier shall also be entitled to store the Goods at the site of the Merchant, and the Carrier's liability shall cease upon the Carrier's tender/delivery of the Goods to the appointed warehouse or storage facility. The cost of such storage shall be paid, upon demand, by the Merchant to the Carrier.

12.3 If at any time the Carriage is or is likely to be affected by any hindrance or risk of any kind (including the condition of the Goods) not caused by any fault or neglect of the Carrier, its Subcontractors or agents, the Carrier may abandon the Carriage of the Goods and, where reasonably practicable, place the Goods or any portion of them at the Merchant's disposal at any place that the Carrier may deem safe and convenient, whereupon delivery shall be deemed to have been made, and the responsibility of the Carrier in respect of such Goods shall cease. In such event, the Carrier shall be entitled to full freight and the Merchant shall pay any additional costs arising out of such event.

13. FREIGHT CHARGES AND EXPENSES TO MERCHANT

13.1 Freight charges and any other amounts owed in respect of the Goods, including any amounts owed pursuant to Carrier's tariffs shall be paid without counterclaim or set-off, whether prepaid or payable at destination. Freight charges shall be deemed earned by the Carrier upon its receipt of the Goods. Eamed freight charges are non-refundable.

13.2 Freight charges and all other amounts due Carrier for the Carriage are to be paid in the currency named in this Bill of Lading or, at the Carrier's option, in the currency of the country of origin or destination.

13.3 The Merchant shall reimburse and indemnify the Carrier for any duties, taxes, demurrage, detention, charges, liabilities or other expenses whatsoever in connection with the Goods or arising from any breach of warranty by Merchant hereunder or from any cause or reason not exclusively attributable to a liability of Carrier, its Subcontractors, servants or agents.

13.4 In the event Merchant breaches its warranty as to the accuracy and completeness of the description and the marks, numbers, quantities and weight of the Goods, resulting in a lower freight charge than should be due and owing carrier based upon actual correct and complete description, marks, numbers, quantities and weight of the Goods, it is agreed that a sum equal either to double the correct freight charges properly assessed based upon actual correct and complete description, marks, numbers, quantities and weight of the Goods, less the freight previously calculated or charged, shall be payable as liquidated damages to the Carrier. Such liquidated damages shall only relate to freight charges; Carrier reserves all rights to recover from Merchant other damages caused by Merchant's breach of its warranty as to the accuracy and completeness of the description and the marks, numbers, quantities and weight of the Goods.

13.5 Notwithstanding the acceptance by the Carrier of instructions to collect freight charges or other expenses relating to the Carriage from any specific person, Merchant shall remain responsible for such monies on receipt of evidence of demand and the absence of payment for whatever reason. Shipper, consignee and bill-to parties are jointly and severally liable for all charges and expenses related to the Carriage. Charges may be reversed to the responsible parties if the Goods are refused delivery or in the event payment is not made by the original bill-to party.

14. LIEN

14.1 The Carrier shall have a general and continuing lien on any and all of the Merchant's property for all advances, claims, costs, freight charges, duties, surcharges, general average expenses, salvage expenses, taxes, demurrage, money due and payable to the Carrier or Carrier's affiliate by Merchant, including any lien and collection-related costs, whether or not related to the Carriage of Goods under this document, a prior transaction or an unrelated claim and/or any combination of the foregoing. The lien on the Goods shall survive delivery. Carrier may sell the Goods privately or by public auction without notice to the Merchant. If upon sale of the Goods the proceeds fall to satisfy the amount due Carrier, together with the cost and expenses incurred, Carrier shall be entitled to recover any difference from Merchant.

14.2 If the Goods are undischarged after 30 days from the date the Goods are placed at the disposal of the Merchant, or whenever in the Carrier's judgment the Goods will become deteriorated, damaged or worthless, the Carrier may, at its discretion and subject to its lien and without any responsibility attaching to it, sell, abandon, or otherwise dispose of the Goods sold at the risk and expense of the Merchant.

15. GENERAL AVERAGE

15.1 In the event of accident, danger, damage or disaster before or after the commencement of the Carriage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequence of which, the Carrier and its Subcontractors, servants and agents are not responsible by statute, contract or otherwise, the Goods and the Merchant shall contribute in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be incurred and shall pay salvage and special charges incurred in respect of the goods. If a salving ship is owned or operated by the Carrier, its Subcontractors, servants or agents, salvage shall be paid for as fully as if the said salving ship or ships belonged to strangers. Such deposit as the Carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the Goods and/or the Merchant prior to delivery.

15.2 Merchant shall defend, indemnify and hold harmless the Carrier, its Subcontractors, servants or agents in respect of any claim (and any expense arising therefrom) of a General Average which may be made against the Carrier and/or any of its Subcontractors, servants or agents. Merchant agrees to pay any and all sums or securities assessed by the General Average Adjuster for payments on account.

15.3 Neither the Carrier nor its Subcontractors, servants or agents shall be under any obligation to take any steps whatsoever to post security for General Average or to collect security for General Average contributions due from the Merchant. Notwithstanding the foregoing, Carrier is authorized at its discretion to act on behalf of the Goods in any salvage proceeding at the sole expense of Merchant, unless Merchant arranges for separate representation.

16. NOTICE OF CLAIM AND TIME FOR SUIT

16.1 Unless the Merchant provides written notice to the Carrier of the general nature of any loss or damage to the Goods at the time the Carrier delivers the Goods to the Merchant, such delivery by the Carrier is prima facie evidence of the Carrier's delivery of the Goods in good order and condition.

16.2 Where the loss or damage is not apparent and/or later, the same prima facie presumption shall apply if notice in writing is not given to Carrier within 3 days after the day when the Goods were delivered to the Merchant.

16.3 The Carrier shall be discharged of all liability unless suit is brought against the Carrier within one year from the date of delivery or the date on which the Goods should have been delivered.

17. MANDATORY VENUE, JURISDICTION AND APPLICABLE LAW

17.1 (CARRIAGE TO, FROM AND BETWEEN UNITED STATES PORTS) Merchant agrees that all claims or disputes hereunder shall be determined under United States law solely in the United States District Court for the Central District of California, and the Merchant and Carrier each agree to submit to the personal jurisdiction of that Court.

17.2 (CARRIAGE TO AND FROM NON-UNITED STATES PORTS) Merchant agrees that all claims or disputes hereunder or questions arising out of the Carriage of the Goods shall be determined under Australian law solely in the Courts of Australia, and the Merchant and Carrier each agree to submit to the personal jurisdiction of those Courts.
