> Scrap cargo to Vietnam must conform to the technical regulations issued by the Ministry of Natural Resources and Environment for imported scrap. This is an additional condition on top of the requirement for a valid import licence. Cargo that is non-compliant and unable to obtain the certificate necessary to complete import clearance will be returned to the origin port and all associated costs will be for the account of the Shipper as shown on the ONE bill of lading.

> When booking is marked as NO SPLIT, please be aware that:

In the event that all containers do not make the intended vessel, all containers will be rolled to the next available vessel. Any storage costs and/or terminal handling fees that accrue will be billed to the shipper.

May not be operationally feasible.
