It is the bearer's responsibility to obtain any regulatory permits and licenses that may be required in order to conduct your type(s) of business in the City and County of San Francisco.

This certificate does not authorize the person to whom it is issued to conduct any unlawful business, nor any lawful business in any illegal manner. This certificate does not authorize the conduct of any business within the City and County of San Francisco without strictly complying with all the provisions of other city ordinances, including activities that require a Certificate of Authority or permit(s) from any other office of the City and County of San Francisco.
