This exact number should be included on future correspondence with this office regarding this listing. This number may not utilize to indicate that APHIS has listed the facility or products for other purposes. In order to retain this listing, the facility must continue to operate under the information provided during the listing process. The facility is subject to unannounced compliance inspections throughout the year to verify this continued compliance.

Lastly, I would like to remind you that the facility must complete the renewal process no later than May 25, 2025. Please contact this office no later than three months prior to this date to initiate renewal process.

Please let me know if you have any questions or concerns.

Sincerely,

Alesia G. Stevens, DVM
Veterinary Medical Officer
