VERIFY that all information on your sales tax license is correct. Modify and update any errors you identify on the Internet through Revenue Online. Access your tax account, file returns, submit payments, verify sales tax licenses and view sales tax rates through Revenue Online at www.Colorado.gov/RevenueOnline

All the information you need to get started is on this document; have it with you before you begin. Follow these easy steps.

1. Go to www.Colorado.gov/RevenueOnline
2. Click on **Sign Up (Individual or Business)** link on the right.
3. Click on **Continue**.

Now click on: **Enter Taxpayer Information**. Click on the down arrow in the Account Type list and select Other. Use the first 8-digits of the account number shown on your license. Complete the rest of the screen. Next click on: **Enter Login Information** and complete the screen (this is information YOU get to create for the account). Next click on: **Enter Account Information** and complete the screen.

3. Click Login. You should then be in your account. NOTE: If you have additional tax types registered under the same Account Number, such as withholding, you will be able to view those tax types through the account. You do not need to create separate Login IDs and Passwords for each tax in your account.

Filing Returns

To file a return, go to Revenue Online (www.Colorado.gov/RevenueOnline). You must file a return for each reporting period. If you have no tax to report, file a zero return. Tax reporting and payment are your responsibility. To avoid late penalties and interest, file online on or before the due date. If you discontinue sales, you may close your business location through Revenue Online.
