The public notice for TOLL GLOBAL FORWARDING (USA) INC. is listed today in the **Federal Register**, the official publication of the US Federal Government. A copy is attached.

We take note that you are doing an **ADDITION OF TRADE NAME "TRANSOLVE GLOBAL (USA)"** to your existing **NVOCC & OFF LICENSE**. If you need help with the FMC licensing regulations, we will be pleased to assist. We have helped hundreds of companies obtain their FMC-OTI licenses. Our service includes preparation of the license application, a careful review of the applicant's qualifications, references, and supporting documents, filing the application with the FMC License Office, and coordination and follow-up during the FMC review process. We are not a surety agent, but we work very closely with some the leading underwriters and agents for OTI bonds. We help our clients obtain licenses and bonds for NVOCC or Ocean Forwarding services much more quickly than they would without our expert assistance. Most importantly, we help our clients understand the FMC licensing regulations and provide on-going support.

Once the FMC approves your application for the addition of trade name, your existing FMC tariff must be amended to include this new trade name. We will need a copy of your new license certificate and copies of your bond amendments for our records here at DPI. Please send these to us when available.

Meanwhile, if you have any questions about the FMC regulations, or if you need to update your NVOCC tariff, please do not hesitate to contact us.

Best Regards,

Annie Nguyen
