

GOOD MANUFACTURING PRACTICES (GMP) CERTIFICATE

Certificate of Compliance

This is to certify that

Argos International LLC
2678 Myrtle Springs Ave, Dallas, Texas, United States 75220

operates in accordance with Good Manufacturing Practices (GMP) for the production, handling, packaging, storage, and distribution of cosmetic and fragrance products.

Argos International LLC maintains internal quality control procedures and manufacturing standards consistent with internationally recognized guidelines, including:

- ISO 22716 – Cosmetics Good Manufacturing Practices
- U.S. Food and Drug Administration (FDA) Cosmetic Regulations
- Current Good Manufacturing Practice (cGMP) principles

These practices ensure that products manufactured and distributed by Argos International LLC are produced under controlled conditions designed to maintain:

- Product quality
- Safety and consistency
- Proper documentation and traceability
- Controlled manufacturing environments
- Proper handling of raw materials and finished goods

All manufacturing processes, packaging procedures, and storage conditions are regularly monitored to ensure compliance with these standards.

This certificate confirms that Argos International LLC adheres to GMP principles in the manufacture and distribution of its fragrance products.
