IMPORTANT INFORMATION

Now that you have your license, here's what you need to know:

- Use the letter ID above and go to **Colorado.gov/RevenueOnline** to set up your online access, manage your account, file electronic returns and submit payments. Paper returns will NOT be mailed to you.
- Both your sales tax return AND payments are due by the 20th day of the month following the end date of the reporting period in order to avoid any penalty and/or interest. Be sure you know what your filing frequency is in order to avoid missing due dates.
 - *Monthly filer* due dates: On the 20th day of the month following the reporting period end date.
 - *Quarterly filer* due dates: April 20th, July 20th, October 20th and January 20th.
 - *Annual filer* due dates: January 20th following the reporting period end date.
- If no sales were made during the reporting period, you are still required to file a return to report zero sales were made during the reporting period. Otherwise, the Department of Revenue will assess a non-filer estimate for tax.
- All licensed retailers are required to collect and remit all state-collected sales taxes based on the location where their products are delivered.
- State law requires you to collect sales tax from your customers solely for the purpose of remitting those taxes to the Colorado Department of Revenue. Businesses are entrusted with collecting and remitting taxes that belong to the State of Colorado and local jurisdictions.
- Your Colorado Sales Tax License must be displayed in a conspicuous place at your physical location.
- Your license must be renewed and the renewal fee paid at the end of the license period ending December 31 of odd-numbered years in order to maintain a valid license. Failure to renew your license will invalidate your license, but it won't automatically close your account. In order to close your account and cease any future liability, you must file form DR 1102 with the Department of Revenue.
- Having a Colorado Sales Tax License gives you the privilege to purchase non-taxable items-for-resale. Items that you consume in the course of your business are not included in this privilege.

We strongly recommend that you set up your Revenue Online account as soon as possible to remain compliant.
